

Adjunct lecturers with the School of Education

Eastern College Australia is a non-denominational Christian, independent Higher Education Provider and a Registered Training Organisation that provides higher education awards in education, arts and social sciences and theology as well as certificate level VET courses as part of Eastern's RTO status.

As a Christian college, Eastern seeks to provide an alternative amongst Australian Universities and TAFE Institutes by

- Being an innovative Tertiary Education provider known for its commitment to Christian values, academic excellence and creativity in a broad range of disciplines from VET to post-graduate level. Each area of study has a theological foundation.
- Embodying the Christian gospel through acting justly, loving mercifully and walking humbly with God.
